# OAKLAND WORKS

According to location manager Wilson Wu, Oakland is a treasure trove – of beautiful locations and friendly cooperation from city management and the Oakland Film Office. ~ Wu, who works on both commercials and print ads, once convinced a hesitant photographer to consider Oakland. ~ “Afterward, the photographer said it was all so easy – working with the police, getting the permits – he was bringing all the work here that he could. I knew once I got him here, he’d be happy.” ~ “Directors say to me all the time that Oakland is *the* place to shoot!”
