OAKLAND WORKS

Josh Kornbluth wrote and starred in the feature film *Haiku Tunnel*, which he co-directed with his brother Jacob. ~ The office comedy required many interior and exterior office shots and Oakland's Film Office provided a variety of attractive choices for first-time filmmakers with a small budget. ~ "The Oakland Film Office was professional and supportive. It was the opposite of working with bureaucracy. I mean, we didn't have a lot of money. That didn't seem to matter at all. We shot in Mayor Jerry Brown's office. Jeez. How great is that!"
