OAKLAND WORKS

Bay Area filmmaker Alex Percy praises Oakland Film commissioners Ami Zins and Janet Austin for approaching each film project, no matter the budget, with equal enthusiasm. ~ Last summer, Alex used the Oakland Film Office to secure three locations for a short film that he wrote and directed. Later, as location manager for a full-length feature film, he came to them with a wishlist of over 30 locations. ~ “Even though the potential to bring money into Oakland was a lot bigger on the feature, Ami and Janet were every bit as focused on helping me with my short film. There was no difference in how they approached the two projects. That felt good.”
