OAKLAND WORKS

Spend any time with Oakland Film Commissioners Ami Zins and Janet Austin, and their enthusiasm for the Bay Area film community is bound to rub off. ~ “Our primary focus is to help create a thriving film industry in Oakland,” says Ami, “that is based on really good relationships between the filmmakers and the communities in which they film.” ~ In addition, the Film Office prides itself on going the extra mile for any project that comes its way - no matter the size. ~ “Supporting local up-and-coming filmmakers makes good business sense,” says Janet. “As their careers grow, we want filmmakers to remember Oakland’s versatility as a backdrop and how easy we make it to film here.”
